## EDITORIAL NOTES

Dear Readers,

Welcome to the latest edition of AYER Newsletter. We are excited to share with you the latest happenings and updates that showcase our vibrant and thriving community and employee engagement.

In this edition, let's relive the joy of having team bonding over a lunch. After all as Malaysians, 'dah makan?' is a way to engage with others. Team building via sports provided the much needed excitement towards healthy competition and teamwork at our recent laser tag activity. Not to forget the festive celebration giveaways and The Edge's TEPEA 2023 award.

As we are approaching a brand new year in just a few weeks, let's continue to 'celebrate life' with the growth of our communities, friendships and knowledge that we've gained together.

Happy reading and do share your thoughts with us.

Warm regards,

Editor

## EMPLOYEE ENGAGEMENT ACTIVITIES

AYER organized 2 luncheons with our People; one with the Property Division team and another session with our Corporate team.

The informal setting allowed for open conversations, promoting a positive work culture of enhancing team work, fostering friendships and cheers. Such initiatives contribute significantly to team morale and creating a supportive atmosphere of work and play!

Through exchanges of stories, experiences and laughter, the luncheon served as an invaluable occasion for our People to 'Celebrate Life' at work.

## DEEPAVALI CELEBRATION WITH A FOCUS ON SOCIETAL PURPOSE

As part of AYER's societal purpose initiative, we proudly supported United Voice ("UV") by purchasing the cookies that is baked by the UV members as part of our Deepavali giveaways to our People.

The contribution of our support goes beyond the delicious treats, as we help to provide a sense of Purpose in the lives of the UV members.

United Voice has been an advocate to reduce the isolation of people with learning disabilities (Down Syndrome, Autism, Attention Deficit Disorder, Global Development Delay and Cerebral Palsy) by giving them the tools and experience to work, socialize, and take control of their lives so they too can contribute to society

## TEAM BUILDING AT GALACTIC LASER, SUNWAY PYRAMID

AYER took team building to a new level with a thrilling laser tag event at Galactic Laser Tag in Sunway Pyramid. The action-packed games provided our People with an exciting opportunity to collaborate, strategize and strengthen team dynamics.

Amid the glow-in-the-dark battleground, colleagues engaged in friendly competition, fostering teamwork and communication skills. This unique team-building experience not only promoted a sense of unity but also added an element of fun and excitement.
